LEARNING CENTER

JOIN OUR TEAM

Job Description

Full-Time / Part-Time Math Instructor

The Edge Learning Centers is an education services company that provides a full spectrum of premium educational services. Founded in 2008, the Edge continues to expand rapidly in Asia. Our experienced consultants and tutors offer a wide range of services suitable for different needs, ranging from test preparation, curriculum development, and university admission programs. We pride ourselves as the best in class and offer tailored services to students, with a 100% success rate over the past 14 years.

At Edge, not only do you get the chance to work with the cleverest minds in the industry, but we are also a fun and energetic group of people who truly want to partner with students, helping them to push the boundaries and succeed academically. At Edge we want you to constantly challenge yourself and come up with new ideas. We want to hire great minds who can help students build a future.

Responsibilities:

- Design and deliver international curriculums like IB, AP, IGCSE and/or A-Levels, for students in group or one-on-one lessons on Mathematics
- Conduct pre- and post- course/lesson assessments
- Assist in creating additional content such as but not limited to question bank, solution explanations, teacher's manual
- Edit, proofread, and revise existing or newly developed content
- Research and gather resources for projects
- Assist in developing marketing materials and attending marketing events
- Other duties as directed by Head of Academics

Requirements:

- Ideal candidate will possess a Bachelor's degree from US or UK universities or above in Mathematics or a Mathematics-related subject
- Fluency in English with preferably 1+ years of teaching experience
- Ability to present and explain complex physics and mathematical topics into easy to understand concepts
- Excellent written and verbal communication
- Experience in test preparation is a plus

What we offer:

- 5 days of work with a flexible working schedule
- Competitive remuneration package
- Birthday leave
- Medical plan
- Systematic training program
- Young and energetic working environment

To apply, please send over your CV, work portfolio (optional) and expected salary to hr@theedge.com.hk
